CORPORATE SPONSORS

The Cardiac Fitness Association (CFA) at the Ontario Aerobics Centre, Breslau, invites you to become a Corporate Sponsor of their **CFA 2022 Walk For Heart Campaign**.

All funds raised support the state-of-the-art prevention and rehabilitation program in Breslau, serving cardiac patients from surrounding areas.

Your support would be greatly appreciated and will help keep the CFA cardiac rehabilitation programs accessible to all who require it, **regardless of means**.

As a sponsor, your logo will be displayed on our [website](#), newsletters, and brochures.

Pre COVID, in 2019, 383 members and supporters of the CFA raised over \$106,000 at the local Walk of Life event in Breslau and the National Walk of Life event in Toronto.

The National Walk of Life is no longer in operation, and once again for the third year, we are virtual for our annual major fund-raiser, the Walk For Heart (Formerly Walk of Life).

COVID has really hurt charities with many cardiac rehab' facilities closing across Canada. We have helped over 55,000 people over more than 40 years.
With heart disease still rampant, we can't stop now.

What do we need from you?

1. Minimum sponsorship of \$350.00.
2. *Copy of your logo emailed to <mailto:president@cfaheart.com>.
3. Corporate Details (Name, address, phone number, email address and contact).

*If you are a previous Corporate Sponsor, thank you, and you do not need to submit Items 2 & 3 above, (unless your logo and/or corporate details have changed since 2019).

Donating is easy this year since we have teamed up with Canada Helps. Simply click on the picture, scroll down and click the corporate sponsor link. You'll have a charitable donation receipt in minutes.

**Thank you for your generous support
of this important program**

Regards,

Mike Whitmore
CFA President
